

THE WESTERN REVIEW

DRAYTON VALLEY, ALBERTA

VOL. 11, NO. 14 APRIL 6, 1966 PRICE 10¢

Remanded on Wounding Charge

In magistrates' court in Drayton Valley, Tuesday afternoon, Paul Familinow, 60 was remanded for trial until April 26th on a charge of wounding with intent laid by the R.C.M.P.

The charge arose from an incident at the town nuisance grounds last Friday when a local youth was injured by shot gun pellets. Mr. Fami-

linow elected trial by judge and jury when he appeared in court Tuesday.

Friday's shooting followed another incident a week earlier when Mr. Familinow, who lives in a trailer at the grounds, was allegedly robbed by two youths who appeared before magistrate here and were remanded for Supreme Court trial.

Athletic Association to Discuss Baseball Season

The regular monthly meeting of the Drayton Valley Athletic Association will be held in the Recreation Office on Thursday, April 7th at 7:30 p.m. All members are asked to attend this meeting as well as all persons interested in the promotion of Minor League Baseball in the community. Decisions regarding the operation of the Minor Baseball program will have to be reached at this meeting.

If the coming baseball season is going to be a success much volunteer help will be needed. Several of the outstanding coaches of minor league ball in other years have left the community and new faces are needed to fill the vacancy.

A full attendance is requested at Thursday's meeting and especially those interested in the baseball program should be on hand.

Trophies Awarded

Shown above are members of the Pembina Oil Field Fish and Game Association who received trophies at last weeks meeting of the group. On the left is Bill Krebs who received an appreciation trophy for Goliad Ltd. from the Fish and Game in appreciation of the Company's generosity in permitting use of the building for meetings. Les Gamblin, centre, received the trophy for the prize elk whose antlers are shown in the foreground. The trophy was donated by Howard Jevne. Mike Davidiuk on the right, received three trophies for game fish donated by the Drayton Valley Bakery. Not shown is Rex Grey who won the deer trophy presented by Burrows Motors. The moose trophy went unclaimed.

Members of Drayton Valley Recreation Board are shown above. From left to right are: Ken Machan; Mike Gormley, Recrea-

tion Director; Joe Balen, Board Chairman; Walter Krause, Council Representative; Peggy Tyler; and Pat Moore.

Medical Conference In Drayton Valley

The University of Alberta's Department of Continuing Medical Education is holding the third and final session of the 1965-66 Regional Conference Program for the Drayton Valley area at the Drayton Valley Municipal Hospital on April 6, 1966. Guest speakers for this session on "Paediatrics" are Dr. P.J. Kimmitt, Lecturer, Department of Paediatrics, University of Alberta,

and Dr. L.A. Stayura, F.R.C.P.(C), Assistant Professor Department of Paediatrics, University of Alberta.

This is the third and final conference held in the Drayton Valley area this year, designed to keep the practising doctors in Drayton Valley, Leduc, Mayerthorpe, Evansburg, Stony Plain, Devon, Thorsby, Warburg, and Breton abreast of new developments in medical science.

The Drayton Valley area is one of eleven areas in the province which participates in this highly successful program for the continuing education of doctors. Two hundred and thirty doctors throughout the province attend the sessions.

F.U.A. SUPPER

A Pot Luck Supper for members of Drayton Valley local F.U.A. will be held in the Elk's Hall at 6:30 p.m. on Thursday, April 14th.

Regular monthly meeting will follow the supper.

Slides will be shown by Ken

Fastball Meeting

A meeting to finalize the formation of the proposed Community Men's Softball League will be held in the Recreation Office on Monday, April 11, 1966 at 7:30 p.m.

A previous meeting of this group was held a couple of weeks ago. This meeting was well attended and indications are that interest will be high in such a softball league. At this meeting it was decided that the league should be a community league composed of teams from different organizations within the community. The following organizations have already committed themselves to fielding a team in this league: The Lutheran Church, The United Church, the Catholic Church, the Church of God, the Drayton Valley Supply Houses, Pan American and Pembina Pipeline. It is likely that Halli-

Con't On Page 2

McKenzie of his trip to Vancouver and the Pacific Northwest with the F.U.A. tour.

Mayor Pickup and members of the Drayton Valley Chamber of Commerce will be guests at the supper.

D. V. Highlights

BY MRS. EDITH DEBY

Wedding bells will ring for Gordon Tucker and his fiancée in May.

Constable and Mrs. Wallace Mohn of Burnaby, are visiting their parents, Mr. and Mrs. Syd Mitchell and Mr. and Mrs. George Mohn for a week.

Mr. and Mrs. Peter Gregerson have just returned from a holiday spent visiting relatives in Calgary and Princeton, B.C.

Mr. and Mrs. Andrew Johnson was here last week for a load of furniture.

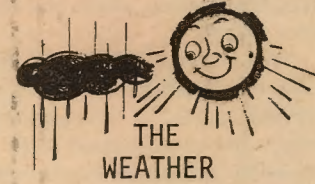

Mr. and Mrs. Tom Ross have sold their store in Wabamun and at present are enjoying a well earned holiday at the coast.

Mrs. Samuel Wallace has returned to the farm. She

spent the winter in Edmonton.

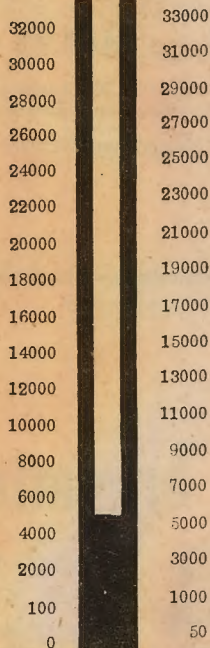

Mrs. John Bootsma is a hospital patient this week.

Congratulations to Mr. and Mrs. Jack McLean on the arrival of their chosen daughter Fiona Jean on March 17th.

Centennial Fund \$34,000

The following is a list of donors who contributed to the Centennial Fund last week.

Royal Bank of Canada, Anchor Construction Ltd., Buck Creek Willing Workers, Jensen Brothers, Diamond Motel, Triad Oil Co. Ltd., Goliad Ltd., Goliad Oil and Gas Company, Sattelite Services, V.F. Campbell, A. Frost, W.F. White.

Message from Mayor

There seems to be a certain amount of general confusion with regards to the interest and the long term results of the purchase of the property generally known here in Drayton Valley as "Deby's North quarter".

Perhaps it would help if I explained to the citizens of Drayton Valley the reasoning behind this decision by Council to purchase property.

1. Next Logical Development: A request 2 years ago by our Industrial area for water and sewer service was met by Council by providing a new sewer lagoon to the South of Drayton Valley. In order to know how far South of the Town to place this lagoon a study was made of future likely or possible expansion. It was the considered opinion of Council that the next major logical residential development would be in this area to the South and West of the public school. This development would absorb the costs of the sewer outfall line adjoining the industrial area with the new lagoon.

In addition to this, our engineers advised that before long, continued development of the "Dodson" area to the East of 50 Street would necessitate services from the South lagoon rather than from the North.

Economically, then, it became expedient to provide for and encourage development in the area we propose to purchase.

2. Preservation of Borrowing Power: For the past 12 years Drayton Valley, in common with many other towns, has been providing services and facilities such as, water, sewer, curbs, gutters, sidewalks, boulevards and paving by borrowing the funds needed, charging your share to your frontage and financing over 15 years. At present rates of interest, for every \$1.00 borrowed for these purposes our ratepayers pay back almost \$2.00. We propose not to discontinue entirely this type of financing of your frontage assessment, but we do propose to place as much as possible of future residential development on a prepaid frontage basis, just as it would be if you built in Edmonton or Calgary or Red Deer. This will not only hold down our interest costs but preserve our borrowing power.

Incidentally, there would be fringe benefits too: (a) Tax bills for this area would contain No Frontage Charges. (b) Amenities right down to pavement would be assured within a very short time of a block being completed. This is a very important aspect of this development.

All municipalities are finding that each year their needs are greater for borrowing but the money supply is limited. We fear that the day may not be too far away that we will be forced to discontinue our paving program under the present method of borrowing to finance. Perhaps this will only be an interruption but we are concerned as new residential development continues under a non prepaid plan. We are concerned because we cannot at this stage foresee just when these streets may become paved.

3. Nursing Home Site: The proposed nursing home has already been approved for this area. It will be an embarrassing situation if the ratepayers direct Council not to purchase land in this area.

4. Not in the Real Estate Business: The purchase of this property by the Town does not put you in the real estate business because there is no intent to profit. Land will be provided at cost to realtors to develop it.

It does, however, put you, as ratepayers in the "driver's seat" insofar as the control of land prices is concerned for the next 15 - 20 years.

5. Self Liquidation: The whole plan is self liquidating over the period of development. This is the amazing thing to me; our ratepayers authorized the Council to borrow for a curling rink, which cost us \$50,000 over 10 years; 10 years later our ratepayers agree to the expenditure of what will be in excess of \$300,000.00 over the next 15 years for a centennial project neither of which is recoverable; (this is not said critically, we are pleased to help to provide these things you want and need) - but for the progress, expansion and development of our residential area, have petitioned against a \$40,000.00 expenditure, all of which is eventually recoverable as the development occurs.

6. Is This Too Much Land for Our Needs? For several years now our rate of growth has settled at about 10 - 20 homes per year. If nothing at all happens here to cause any increase in this rate the total area would be filled at the present rate in 10 years. And I say that this Town will be subjected to several stimuli during the next 10 - 20 years that will favorably affect its growth rate.

And I would suggest that if we cannot even see with confidence this very minimal rate of development over the next 20 years, we should not be living here dragging our feet. We should liquidate our assets and reinvest somewhere where it is more secure.

7. Will it Raise the Taxes? As I have already mentioned, this is a recoverable investment and will be amortized over the 10 year period of development. If a prepaid frontage scheme is not incorporated soon, the ratepayer will be putting out more in interest on borrowings than he would to purchase the entire area proposed.

Also, whether this area is purchased or not, within a very short time the cost of a sewer outfall line from the South lagoon will need to be faced. This will be needed to service (1) the nursing home and (2) East of 50 Street.

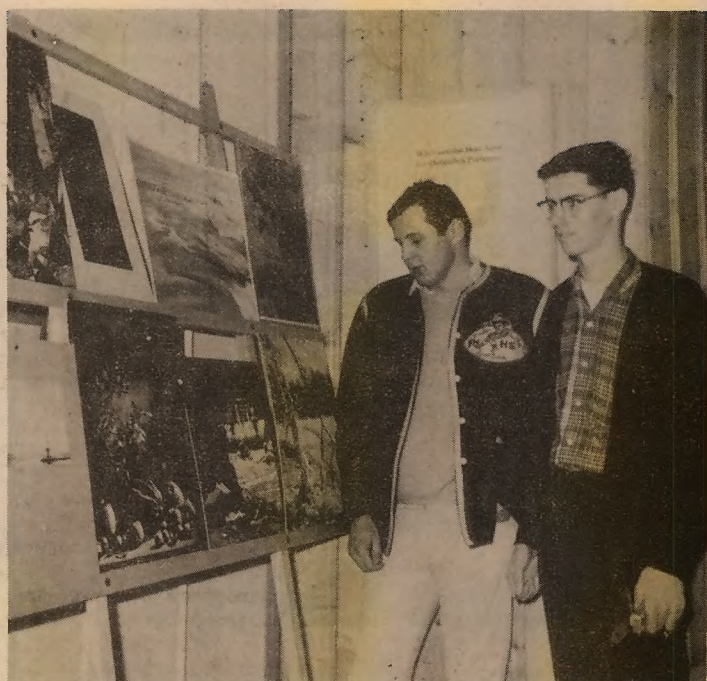

We would urgently request that you permit us to encourage development in the proposed area to absorb the cost of this line; which cost, by the way, is a larger amount than the whole cost of Bylaw #356.

Fastball Meeting

Con't. From Page 1

burton, Dowell and the D.V. Businessmen will also have teams in this league. Anyone interested in playing in this league during the coming season should contact one of the forementioned organizations. If any other group or organization is interested in entering the league, they are welcome to do so.

It is hoped that all those interested in entering teams in the league will attend Monday's meeting. All matters pertaining to league operation should be finalized at this meeting. With the favorable weather the grounds will be fit to play on very soon and we hope to get league play under way at the earliest date possible.

Garry Hinecker left, and Terry McManus of Drayton Valley, are shown above viewing a portion of the collection of photographs on display last weekend in Jacobs Studio. The collection, representing the best in scenic and modern abstract photography has been on tour for the past six years. This was its first appearance in Western Canada. It is primarily the work of North American photographers, with a few prints from Europe included in the display.

PROPOSED BRIEF

To be presented to the Drayton Valley Chamber of Commerce, the Department of Education and the Stony Plain School Division.

It is our belief that the general public is not aware of the importance of Kindergarten to children in preparing them for future school years.

Evidence, made possible by experts in the field of Education, shows that 5 year olds are ready to learn as part of a group. They believe that a good Kindergarten program influences a child's adaption to school, social development, later academic achievement and has a desirable effect on personality growth. Yet more than half of the public school systems in Canada still do not have Kindergartens and our school system is, unhappily, one of them.

WHY KINDERGARTENS SHOULD BE IN THE PUBLIC SCHOOL SYSTEM

1. Learning is at its greatest level at or near age 5. We have a responsibility to every one of our citizens. It is especially important that during the early impressionable years, we expose our children to an atmosphere planned to develop each child to the fullest possible extent physically, mentally, socially and emotionally and prepare them to meet with confidence the more formal experience of grade 1. "Kindergarten training serves a most useful purpose in supplementing home training, in assisting the child in the transition from home to school life, and helps progress and achievement throughout the regular grades." - Ontario Royal Commission on Education

2. Kindergartens are of special value to discover physical, speech and emotional handicaps early and begin remedial treatment before the handicaps are deep rooted - - (Child Guidance Clinic psychologist) The children of new Canadians with a language barrier benefit greatly from Kindergarten, also the excessively shy and the overaggressive. The earlier social and psychological handicaps are recognized the easier they are to remedy. Children who may later experience serious educational difficulties, and may drop out, can be identified very early in their schooling because of their frustrations and feelings of failure and defeat from almost the beginning of their school experience. Good Kindergartens provide the kinds of teachers and atmosphere needed to identify problems early and begin the remedial work. Normal well adjusted children also gain from the happy experience in Kindergarten.

3. Kindergarten establishes a pattern of routine and the half day schedule in a relaxed atmosphere, aids the transition from home to the more formal requirements of Grade 1. Kindergarten also reduces the number of failures in primary grades. Dr. Carl F. Hanse, District Superintendent of Schools, Washington, D.C., has this to say - - "As a group, youngsters who had a year of Kindergarten scored 3 times higher on the same tests given to children who had not had the opportunity to attend Kindergarten. This is a ~~price~~ high price the children who couldn't attend Kindergarten had to pay for failure of the community to provide teachers and the space for them."

A study of the Value of Kindergarten Training in the Calgary Public School System 1953 had this to say -- " In Grade 1, they (Kindergarten Children) stand in the upper portion of the class more readily than do non-kindergarten children and are more normally placed with respect to age per grade!"

4. The courses of study for each grade have been enriched and more is expected of our children at an earlier age. What better time to start educating our children than when their "power for learning" is greatest - - age 5. "In view of the need for constantly improving the quality of Public Education at every point, the Association reaffirms its belief that the kindergarten level is an essential and integral part of community educational program" - - (1958 platform of the American Association of School Administration)

5. A beneficial effect of having kindergarten is that it would make our community a more desirable place for young families to move to and in which to bring up their children. Families, moving to a new town, invariably inquire about the school situation in the area and having kindergartens in the Public School System would be an attraction for people considering moving.

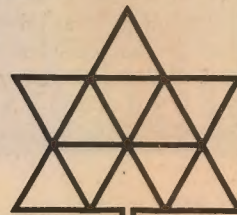

6. The number of Private fee-charging kindergartens in Alberta is clear evidence that many parents are aware of education at this level. Many of the children who most need pre-school education get none at all because their parents cannot or will not pay the fees. This is very disturbing especially in view of the fact that Alberta is one Province which can afford to support Kindergartens. - - Professor Omar Moore, Yale Psychologist says, - "If I had a certain sum to spend on twenty P.H.D. candidates, and twenty nursery schools. I'd use most of it on the youngest children. They're the ones who need it most. We're going to have to change our whole notion of how much capital investment should go into education, especially in the early years. If necessary, we can cut down on expenses later. Older students can do more on their own."

It is true that there are many competing demands on the tax revenues and the personnel available for education and some of these demands are urgent. "However, many educational studies of young children's needs and potential have suggested that the question ought to be, can a school system not afford to offer kindergarten? Or to put it more forcibly: which is better - - Kindergarten at age 5, remedial reading at age 9, being left back at age 12, or quitting school at age 16?"

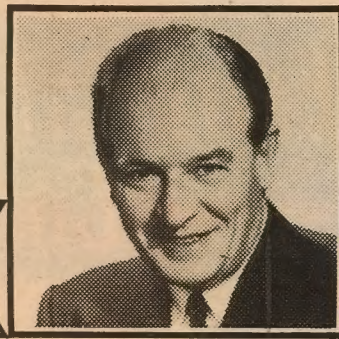

In view of these facts, we ask our School Board to:-

1. Pass a resolution indicating approval in principal of having Kindergarten in the Public School System.
2. Strenuously solicit the Provincial Government for Capital grants for Kindergartens.
3. Set up a pilot Kindergarten project in schools where space is available.

Centennial Report

1867 | 1967

by JOHN W. FISHER
CENTENNIAL COMMISSIONER

Report No. 1

When I took over the job of organizing Canada's biggest celebration in history I ran into a number of pessimists, even a few cynics.

This is the sort of line they gave me: "Canadians aren't noisy patriots. You'll have a tough job stirring up much flag waving for 1967."

Well, some of their facts were correct but the spirit in which those few pessimists presented their views to me was not what I accept as Canadian. I have travelled long and far enough in this country to know that Canadians really have strong positive feelings about their country.

I could agree with some of the statements by my pessimistic friends if they were in a different context. Canadians are not given to wild demonstrations of patriotism in their own country. Such things can embarrass us. I believe our kind of nationalism is more thoughtful than emotional and that is why I believe so fervently that our Centennial will be a success-

ful and meaningful event in our history.

Yes we may have difficulty at times in deciding what we are against in the world. But we know what home is and though we may be embarrassed to express it, we love our land. Perhaps I discovered this through travel abroad when I met Canadians far from home. When we are world traveling we are more apt to open up and reveal to other people our inner thoughts about our country. One particular instance comes to my mind. I was breakfasting at a small hotel in London, England, a few years ago and became engaged in conversation with a young man across the table from me. He was a Canadian working at an airline office in London. With no prodding from me he poured out all his thoughts about home and about Canada.

"I'm not a nationalist," he said, "In fact I'm against nationalism. It causes a lot of trouble in the world. That's why I like my country."

Editorial — Comment

Who Owns Klondike Theme?

Our sympathy is with the people of the Yukon whose protests against Edmonton's use of the Klondike theme have so far apparently fallen on deaf ears.

We believe that if Edmonton wants a gold rush theme it should follow the nature of Bonanza Days, Frontier Days, Gold Rush Days or something similar -- there is no fairness in the city's selection of a geographical location hundreds of miles away and using its world-wide reputation and name to promote a local fair.

A poorly informed visitor could quite logically assume he was in the heart of the gold rush country on arrival in Edmonton. He might also assume he need go no further and soak up all the Trail of '98 color right along Jasper Avenue.

The Yukon could lose its prime tourist attraction and a major source of revenue through continued use by Edmonton of the Klondike theme. Edmonton, we feel, should give this matter more thought and consider a change in name while the promotion is still in its early development.

Young People Show Way

Youngsters at the Drayton Valley Junior High School deserve the congratulations of the community on their endeavors to raise funds to help complete the Centennial Arena and Civic Centre. It is hoped that their enthusiasm may inspire other individuals or groups to rise to the occasion and help boost the Centennial Fund over the top.

A large amount must be raised to complete financing arrangements and a strong show of community spirit will be required to provide the town and area with this major recreational facility that will prove a good investment for young and old alike for many, many years.

Bike Time Again

The robin has lost his image as the herald of spring -- he's been replaced by the putt-putting of motor bikes and the return of the leg-powered ones. Each spring brings a new crop of riders in both categories and it's a time for renewed vigilance by motorists.

Drive as though a youngster on a bike could arrive in the middle of the road from any direction -- they can and do.

Berrymoor News

Mrs. Bea Cropley,
Correspondent.

Our deepest sympathy goes out to the Gillespie family on the passing of their mother, Mrs. Florence Gillespie, who passed away on March 23 in an Edmonton hospital at the age of eighty years. Mrs. Gillespie was an old timer of the Camwood district and will be sadly missed by her five sons, five daughters, her many grandchildren and great grandchildren and her friends and neighbors.

Mrs. B. Cropley and Dayna spent the weekend with Mr. and Mrs. Ralph Davidson of Edmonton. The occasion was Dayna's birthday. Pastor Sader and family were over for Sunday evening to wish her many happy returns and share the birthday cake.

Because of Mrs. Gillespie's funeral the 3 B's meeting was postponed for a week and will be held at the home of Dorothy Gavigan on Saturday, April 2nd. Everybody welcome.

The teenagers from Berrymoor and surrounding districts enjoyed their tour of the Northern Alberta Institute of Technology.

A bus load of children from the Lindale school took in one evening of Edmonton's Indoor Rodeo. "Little Joe" seemed to be one of the main attractions.

Myrnitta Cropley is beginning to feel more like her lively self again after a bout with the red measles.

Mr. and Mrs. Gordon Holmgren visited the Davidson's one day last week and together they took in one evening of the Rodeo.

Come on Berrymoor... if you have any interesting news items let me have them.

Appraisal Course

Agriculture Minister Harry E. Strom has announced that a three week land appraisal and assessment course will be offered this spring at each of the three Agriculture and Vocational Colleges.

The course is designed to give land appraisers and assessors an opportunity to upgrade their techniques through lectures and practical field work. In general, the subject matter will deal with soil classification, pasture rating and farm land sales analysis.

SPECIAL 4-H WIN

May we extend our congratulations and best wishes to the leaders, officers and members of the Pembina 4-H Grain Club for their most recent achievement. The winning of the Provincial Grand Championship at the Seed Fair held recently in Calgary is no small feat for winning samples from all areas of the Province were in competition. This is the second major award to come to this area in the matter of months for John Chnysty, a member of the Pembina Grain Club, won the Grand Championship in the Provincial standing crop competition for the 1965 season.

Also amongst the winners at the Calgary Show was Shirley Hutchinson who placed 10th in the Oat Class and Terry Kremenik who was 16th. These members did well considering that there were 29 entries in this class of oats. You did well Shirley and Terry.

We are justly proud of your

win and hope you may continue to lead in areas of competition. We feel sure that we speak for all in the district when we say Congratulations - Pembina Grain Club - it's a job well done.

GOOD SEED MONTH

March has been designated as "Good Seed Month", and many farmers are busy making plans for better seed in proved cultural practices. Now equipment will be considered and, of course, how best to prepare a suitable seed bed for control of weeds.

It might be advantageous to consider kind and variety of cereal seed that will show greatest chance of success. There is quite a lot of information available in the Agricultural Offices at Evansburg and Edson. Come in and ask about some of these aspects of farming.

Fertilizers are a powerful tool to help increase yields and maintain the soil in good condition. Feel free to enquire about soils and fertilizers.

CANCER RESEARCH

Research assistants, University of Alberta at Edmonton, compare results of their latest tests with Dr. R.A.L. McBeth, a National Cancer Institute grantee. Mrs. C. Barron, left, and Mr. N. Belur, right, are shown checking research data with Dr. McBeth, who will interpret the findings. Last year over \$210,000. was invested in research work at the University of Alberta. The 1966 campaign to raise \$421,175. for the Canadian Cancer Society began April 1st and will continue for one month.

Youth Invited To Speak Out

Young Albertans are being invited by the Government of Alberta to speak out on matters of deep concern to youth. Four hundred delegates between the ages of 17 and 20 will be selected to participate in seminars on the campuses of the University of Alberta at Calgary, May 6-7 and Edmonton, May 13-14, 1966.

The provincial government has distributed more than 15,000 application forms to schools, youth groups and community organizations throughout the province, to reach as many young adults as possible. Young people who have demonstrated leadership qualities and actively participated in youth organizations in their own communities will be selected as delegates.

The seminar in Calgary will bring together two hundred young people selected from the Southern part of the province and a similar number from the Northern part of the province will attend the seminar in Edmonton, one week later. Delegates will pay their own transportation and a ten dollar registration fee. The Provincial Government will pay operational costs of the seminars and room and board of participants.

The theme, "Pioneers of Canada's Second Century", is designed to raise questions young adults ask, to identify problems they experience and to discover short and long-range goals they wish to pursue.

Centennial Report

Cont. from Page 3

We're not aggressive nationalists. But really, mister," he said, "it's hard to describe my feelings about my country." He thought his feeling for his homeland was not just the house he was born in back in Ontario, nor was it necessarily his home town. It was the lake country where he used to go on canoe trips in the summer, the big rushing rivers and the roads that go forever.

"I always felt if I couldn't find a job in Canada I could always go to the north country and trap and hunt -- something one couldn't do over here -- and at least make a living," he said. He admitted it was just a "fancy of the mind" -- probably he'd starve -- but Canada always gave him a feeling of security, he said. "I always felt that the Rockies or the Gaspé wilderness were mine, even though I didn't go there every weekend. (I only saw the Rockies once.)"

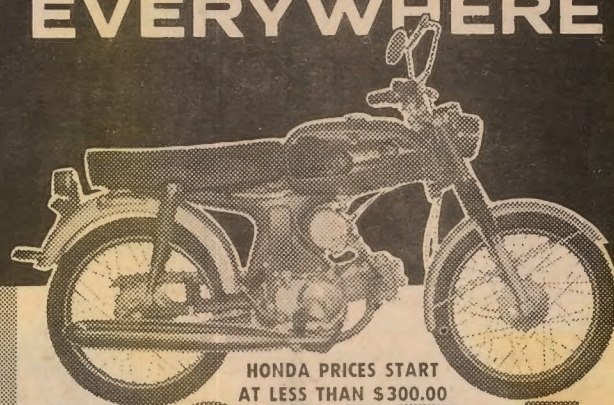

The young man went on, exposing his mind and being very sentimental and patriotic. I thought to myself he probably would be far too inhibited and embarrassed to talk like that back home.

From now to 1967 Canadians, as individuals and in groups, large and small, are finding ways to express their true feelings about Canada. I'll tell you more about these in future reports.

The Canadian Red Cross supplies material, medical and technical assistance, valued at nearly \$800,000 to about 50 countries each year.

Winners of The Bay event in the Drayton Valley Open Mixed Bonspiel last weekend was the Bill Sware rink shown above. From left to right are: Sharon, Gail, Bill and Tony Sware.

Evansburg News

Mrs. Bruner, Correspondent

As promised you last week, here are the results of the Cub-Scout bottle drive. The boys realized the sum of \$76.15 and wish to thank everyone who gave bottles, hauled bottles and bought bottles. Thanks again, everyone.

Evansburg residents who went to Seba Beach to see the drama and came home justifiably proud of their high school students. This drama competition took place between Evansburg, Seba Beach, Boyle and the St. Albert Indian residential school high school students. It is known as the Zone 3 drama competition, and Evansburg won the best actor and best actress awards. The best actor award was won by Jerry Wiegler and best actress award by Rosemary Ledinsky. Both students have received all

their education at Evansburg School. The play was directed by Mrs. Penn and Mrs. Mitchell both teachers in the high school. Considering that drama is an extra-curricular activity in the school, everyone concerned with the play are to be commended on their efforts.

The award for the best all around play went to the students from the Indian residential school.

Sympathy of the district go to Mrs. A. Davey and family on the loss of husband and father, Mr. Davey, who had been ill for a time in hospital.

On the last day of March, the Cub birdhouses made their last trip to a pack meeting to have a final examination. Now the boys will practise various contest games to be able to compete at the Cub Rally due to take place the last part of May. A second star, a collector badge and a house orderly badge were awarded at the pack meeting. Our Scout

Bill Sware skipped his family rink to the top of the Hudson Bay Mixed 'Spiel, with his daughter Gail, who is in the Personnel Department at Canadian Chemicals in Edmonton, at third, Tony, who teaches school in Edmonton, playing second and Sharon, who is in fourth year Education of the University of Alberta, throwing lead rocks. They had little trouble in disposing of any opposition that came their way, even the friendly dentist he beat in the fours and Eldon Herbert in the finals.

In the Acme Novelty Event, Glen Hansen with his wife Marge, Lil and John Moody swept to another lopsided victory over Rod McDonald. The only thing close in the game was that each rink threw eight rocks each end. It appeared that the McDonald rink used up all their shots in the previous games.

The Simpson Sears Event went to the Grant Campbell rink. Curling with Grant were his wife Irene, Bea and Ray Wickens. They defeated the ever talented Al Lorenz rink in a nip and tuck final, which broke loose in the 7th end when Grant picked up a three to be four up coming home.

Entertainment was tops both evenings in the upper lounge as Lil Ross entertained a near capacity crowd who gave her a standing ovation for her excellent singing.

This is how the rinks ended up. Hudson Bay Event - Bill Sware; Eldon Herbert; Dr. H. Shimbashi and Roy Sired. Acme Novelty Event; Glen Hansen; Rod McDonald; Ron Pruden; and Bert Telford. Simpson Sears Event; Grant Campbell; Al Lorenz; Morley Nelson and Bob Wells.

Master says several boys will soon be invested with Tenderfoot badges and scarves. So, mothers, be on call for your sewing services for the scarves all need hemming.

Our school principal, who stuck with his classes all through the bad times of the flu has now decided to suffer from it himself. We hope to see him up and around again soon.

Attend Symphony

On Saturday, April 2nd a combined group of 200 students, grades 5 to 9 from St. Anthony's and Drayton Valley Junior High School with four supervisors travelled by school bus to Edmonton. There they attended a program entitled "Adventures in Music" presented by the Edmonton Symphony Orchestra with the Edmonton Ballet Company as guest artists. Most of the students expressed their enjoyment of both symphony and ballet which was for many, their first such experience.

In The Legislature

By Mrs. Comelia R. Wood, M.L.A.

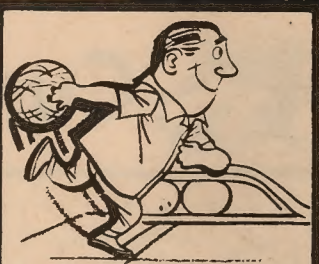

On Friday of the sixth full week in the Legislature, the Public Accounts committee met in the morning and studied the medicare expenditures for 1964. That afternoon the 1966-67 estimates for the Department of Public Health were appropriated. The nursing home plan has developed rapidly and 3900 beds will be available by September. The government subsidizes the operation of these homes to the extent of \$4.50 per patient day and the patient pays \$2.50 per day. The cost of the care of tuberculosis patients and treatment of cancer patients have increased materially and increased costs and extended services for mental health have resulted in large appropriations being allowed these.

The estimates for the Department of Public Welfare provided money for building two additional homes for senior citizens, to finish seven that are under construction and to make some renovations and repairs to others. The rehabilitation program received a good sum of money and esti-

Mrs C. R. Wood, M.L.A. mates for the Emergency Measures Organization were increased over last year. At a late night sitting, estimates for the Department of Public Works were given close examination. A large program of construction is planned for and includes a veterinary laboratory in Edmonton and one in Peace River, a jail at Peace River, a rehabilitation centre at Belmont, buildings at the two Universities and Institutes of Technology, a new cancer

Friday at 9:00 p.m. - Unpredictables, 45; Stinkers, 55; Alley Cats, 72; Beatles, 40; Cornerpins, 70; Black Jacks, 53.

Ladies' League standings

Traffic Fatalities Up 24 Percent

Fatalities due to traffic accidents are up 24 per cent for the first two months of the year according to statistics released by the Alberta Safety Council.

To February's end 41 persons have died during February, up 4 from a year ago.

are: Nabobs, 47; Twilighters, 64; Moby Dolls, 59; Busy B's, 66; Kookies, 66; Blowers, 51; No-Accounts, 32; Zero's, 55; Merrymakers, 43; Checkers, 57.

High scores in the Junior High League are: T.H.D. - Cool Cats, 1384; G.H.S. - Sylvia Dion, 198; G.H.D. - Boys H.D. - Neil DeCiccio, 351.

High scores in the Senior High League are: T.H.D. - Hi-Fi's, 1654; G.H.S. - Carol McGaughey, 203; G.H.D. - Carol McGaughey, 370. Boys H.S. - Pat Hurley, 217; Boys H.D. - Pat Hurley, 400.

Accidents are running 4 per cent ahead of last year, 6,928 mishaps compared to 6,639. Actually accidents dropped during February by 110 to 2,909 but the 399 additional accidents reported in January kept the two-month accident figures ahead of a year ago.

The injury ledger indicates a 15 per cent increase. Nine hundred and thirteen Albertans have received medical attention compared to 790 in the first two months of 1965.

The estimated property damage from motor vehicle accidents for the month of January is \$1,299,395 or an increase of \$237,696.

Canada's new Manpower Mobility Program creates new horizons for job seekers. For full information about this new program, get in touch with your National Employment Office.

TOWN OF DRAYTON VALLEY

PUBLIC NOTICE

Public Notice is hereby given that a vote of the proprietary electors of the Town of Drayton Valley will be held on By-law No. 356 of the said Town of Drayton Valley.

The following is a synopsis of By-law No. 356:

A By-law of the Town of Drayton Valley to authorize the Council of the Town of Drayton Valley to incur an indebtedness on behalf of the said Town in the amount of \$40,000.00 for the purpose of purchasing certain lands within the boundaries of the Town of Drayton Valley for the purpose of developing into subdivisions for building sites.

A copy of the said By-law No. 356 has been posted and will be kept posted in the Town Office and may be inspected at any time during regular office hours.

Polling will take place on Wednesday, the 20th day of April, A.D., 1966, between the hours of Ten o'clock in the forenoon and Seven o'clock in the afternoon at the Town Hall in Drayton Valley at Lots 43 and 44, Block 1, Plan 6533 KS, on the South side of 51 Avenue at 52 Street. I will be in attendance at the Town Office on Wednesday, the 20th day of April, 1966 at 8:00 o'clock in the afternoon to sum up the votes and declare the results.

(N.B. At least 10% of the proprietary electors of the Town must vote before the By-law may be deemed to have been submitted to the electors, and at least two-thirds of the vote cast must be for the By-law before it can be declared carried.

GIVEN under my hand and the corporate seal of the Town of Drayton Valley this 28th day of March, A.D., 1966.

W. G. JOHANNESON,
Returning Officer.

Town of Drayton Valley
March 28, 1966.

Buck Creek News

Mrs. Gladys D. Stec,
Correspondent.

Mr. and Mrs. Tom Bevan left March 29th for a two-month trip in the British Isles. The trip was a Christmas gift from their son, Mr. Leslie Bevan.

Get well wishes go out to Mr. Bill Hughes, who was a patient in Drayton Valley hospital, as a result of a recent car accident.

The whist drive held at the hall, Saturday night was well attended, with the contestants reporting an enjoyable evening out.

Home visiting his parents is Mr. Louis Regenwetter. Louie has just completed a three-year hitch in the Navy.

Mrs. Edith Kent curled at the Royal Glenora last week. Her team received first in the second event.

Mrs. Vawter of Flin Flon, Manitoba was here visiting her daughter, Mrs. Edith Kent, last week.

Lodgepole News

Mrs. Norquay
Correspondent

Mrs. Schmidt, who has been waiting quite a long time for a bed in an Edmonton hospital, received a call to go in last week. We extend best wishes for a speedy and complete recovery.

After a trip to Edmonton last week, we arrived in Lodgepole Friday night to find a total blackout. Strong winds in the late afternoon disrupted service and the community was without power from about 6:00 to 10:00 p.m.

Mrs. Marie Woytovic visited in Lodgepole last week.

WHO'S NEW

March 30th - Mrs. Jack Worden (Marilyn), Tomahawk, Girl - 7 lbs. 12 3/4 ozs.

April 2nd - Mrs. William Dunstall (Beatrice), Evansburg - Boy - 7 lbs. 4 1/2 ozs.

April 3rd - Mrs. Lester, Hutchinson (Sharon), Easyford - Boy - 7 lbs. 1 1/2 ozs.

The winner of this week's baby spoon is Mrs. Jack Worden with her girl weighing 7 lbs. 12 3/4 ozs.

Mrs. Worden may pick up her spoon at:

Lloyd's Jewellery.

Last week's winner, who is inadvertently missed, is Mrs. Don Greiner with her boy born on March 22nd and weighing 8 lbs., 13 1/2 ozs. Mrs. Greiner may pick up her spoon at

LLOYD'S JEWELLERY
DRAYTON VALLEY,
ALBERTA.

Winners of the Acme Novelty Event in the Drayton Valley Open Mixed Bonspiel held last weekend was the Glen Hanson rink shown above. From left to right are: Glen Hanson, Marg Hanson, Lil Moody and John Moody.

Lions Nominations At Next Meeting

At the April 5th general meeting of the Drayton Valley Lions Club, nominations will be received for next years executive offices.

The long-awaited raffle of the RCA Victor Stereo Set will take place at 8:00 p.m. on April 15th at the Pembina Drug Store.

The sale of pool tickets on the Stanley Cup playoff final games is in progress. Proceeds from all Stanley Cup pool tickets will go towards the Centennial Arena Building Fund.

The possibility of obtaining a grant from the Provincial and, or Federal Governments in order to further improve and speedily complete the Lions West Valley Park is being pursued through the local level of government administration. The park should prove to be a popular attraction and will help to promote tourism during 1966 and succeeding years.

Jeet Khullar, a school teacher in the Morinville district, and a former resident of the Punjab District of India, visited the Drayton Valley Lions Club on March 15th. Jeet gave an interesting and informative talk on agriculture and the general life of the peoples of India. He outlined briefly Dr. Modi's work in India. Dr. Modi is an eye specialist and is in dire need of funds to help purchase a mobile eye hospital. Lion Jeet then presented president, Stu Lunan with a plaque from the Morinville Lions Club.

The payment of \$96.00 was again made for sponsorship of our foster child, Anna Bodnar in Austria. A letter of thanks was later received from Anna, as well as from her foster home guardian.

Plans are progressing to help the Kampers Carnival on July 15th and 16th. The midway Carnival will be operated by Lion members.

Easter Message

Dear Friends,

The most important day of the year is just a few days away. It is Easter Sunday, the original Day of the Lord. Easter Sunday is the day on which Christ proved His victory over sin and death by raising Himself from the dead. We, who are united to Christ by Baptism, also rise with Him. We are no longer

slaves to our passions but free men. We were bought at a great price. Heaven, on this day, was opened to all of us.

"This is the day which the Lord has made; let us be glad and rejoice in it," Ps. 117.

Sincerely,
Fr. Lynch.

Canada exports enough lumber each year to build a boardwalk 50 feet wide completely around the world, the Department of Trade and Commerce estimates.

clinic at Edmonton, land titles building at Calgary and a new Court House at Edmonton.

With rising costs of maintenance, more than \$3,000,000 had to be estimated to allow for this. Grants to municipalities in lieu of taxes were increased and amount to \$1,800,000.

On Monday the estimates were completed in good time to meet the deadline of March 31st. The appropriation of \$15,000,000 was passed to reimburse Municipalities for the \$50 Homeowners tax discount on occupied residences in the Province. The Municipal Assistance grant was increased by nearly \$6,000,000. Total direct assistance to municipalities amounts to \$176,447,877 which is \$40,513,177 more than for the past year and total indirect assistance is \$86,966,870. This increasing provincial assistance is making it possible for municipalities to finance their programs at much lower mill rates than would otherwise be necessary and indicates the strong desire of the Government to relieve the burden of taxation whenever and wherever possible.

Wednesday afternoon was spent in the passage of 53 bills for second reading after His Honor J. W. Grant MacEwan, Lieutenant-Governor gave assent to the estimated expenditures for 1966-67 amounting to \$681,975,911. This had to be passed before March 31st.

Hon. A. Holowach gave first reading to a bill setting up the Glenbow-Alberta Institute in which the museum collection of Mr. Eric Harvey worth more than \$6,000,000 will be turned over to the Institute as a family Centennial project. He will also donate \$5,000,000 in cash to be met by the same amount from the Province. The collection will be held in trust for the people of Alberta, and has been termed by His Honor J. W. Grant MacEwan as "the best break historical Alberta ever had."

The resolution asking the Government of Canada to expand markets for farm products and to establish a two-price system for farm products so that the income of the average farmer could be increased to a level where he receives a fair return in his investment and labor, was carried unanimously on a voice vote.

MANPOWER OFFERS JOB OPPORTUNITIES

If you are out of work and there is little opportunity for you to find a job where you now live, perhaps the Canadian Government's new Manpower Mobility program can help you. To find out if you are eligible, simply call in at the local office of your National Employment Service. Full details about the new Manpower Mobility Program are available from the National Employment Service.

Fund Raising Project

A fund raising raffle of a Children's Playhouse will take place at the Karnival site. The playhouse is being built in Drayton Valley with Adam Eckert in charge.

The club is to set aside ten minutes of each regular meeting for Lions Information news. At the March 15th meeting, Fred Kaarsemaker spoke on Lionism in general, Richard Dziwenka spoke on Lions Club and You, and Lorne Nelson spoke on the Club and the District.

The town of Lodgepole is being scrutinized on possibilities of being the home of a

new Lions Club. Representatives of District 37 will visit Lodgepole April 5th.

NEW FLAX VARIETY FROM BEAVERLODGE

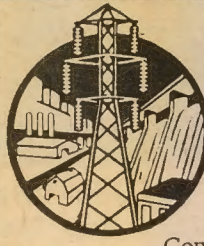

BEAVERLODGE, Alberta -- Some first generation seed of the new Noralta flax variety will be available to seed growers this year but other farmers will have to wait another year for supplies.

This is the word from A.G. Kusch of CDA's research station here. Noralta is expected to displace Redwing and Marine varieties.

It was licensed for sale a year ago after being developed

jointly by the Ottawa Research Station and the Fort Vermillion Experimental Farm of CDA. Well adapted to Western Canada, it is early maturing, rust and wilt resistant and high yielding.

On the black and grey soils of central and northern Alberta it has matured three days later than Redwing and yielded three bushels more than Redwood and Redwing.

Association Elects Officers

The annual meeting of the Canadian Mental Health Association was held recently at the Bonaventure Motor Hotel in Edmonton.

Election of officers for 1966 was held with, G. S. Brant of Calgary as president. Vice-presidents are George MacLellan of Edmonton and H. E. Joudrie of Calgary. Dwane Watt of Edmonton is treasurer.

During the afternoon a special film was shown 'How to Set Up Primary Preventive Centre'. Among the guests who attended the afternoon session were Lieut.-Gen. and Mrs. Grant McEwan and Mrs. Cornelia Wood.

'Primary Prevention of Mental Illnesses' was the topic of the guest speaker at the annual dinner. Prof. C. W. Hobart of the Department of Sociology, University of Alberta.

He warned that at the present rate of mental breakdown, predictions are that 1 in every 10 Canadian children will suffer some sort of emotional disturbance and 1 in 12 will end up in mental institutions. He said that mental health and mental ill health were much too important to be left to the psychiatrists or even the medical and nursing professions. We must use the teachers, clergy, sociologists, the social workers, law enforcement and industrial personnel, he said.

Minister of Welfare Halmerast, Minister of Finance Aalborg and Dr. Johns of the U. of A., accompanied by their wives attended the dinner.

At the meeting it was announced that the government has allocated a considerable amount of money toward the research of mental health.

Mrs. B. Palmer of Drayton Valley attended this interesting meeting.

OVER \$8 MILLION FOR PROJECTS

Under the Federal-Provincial Centennial Grants program, a total of 376 applications for grants for Centennial projects have been received by the Alberta Centennial Committee, from almost 100% of the eligible communities throughout the province. Of this number 329 have received both federal and provincial approval of their applications to date.

The provincial government's contribution to the cost of approved projects to date is \$1,198,312.38. This amount is matched by the federal government - both contributions being based on

\$1 per capita of population. The balance of the cost of each project is borne by the initiating municipality. Total cost of the 324 approved projects will be \$8,219,147.

Among the more unique projects are a planetarium, a Japanese Garden, installation of a Carillon, a race track, a chapel, a tree planting program, and a replica of a coal mine, while the most popular projects include 68 parks, 59 community centres or improvements to existing centres, 45 playgrounds or recreation parks, 28 sports grounds or picnic areas, 46 skating or curling rinks or

improvements thereto, 16 libraries, and thirteen recreation buildings. Only four museums have received approval to date, and six history books.

Fifteen of Alberta's forty-one Indian bands have received approval of their Centennial grant applications for projects which include a community centre, a sports centre, a rodeo sports arena, a hall of fame, and two curling rinks. Four bands will erect sports fields, three plan to build memorial cairns, while two will have Centennial Parks.

Regular Meet Of C.W.L.

The CWL met at 8:15 p.m. on April 4th, 1966 at St. Anthony's School. Sixteen members recited league prayers and the rosary.

Hospital visitors for April are Mary Ann Legeas and Gail Hasenclever.

The Easter Cantata was sung at St. Anthony's Church on Tuesday, April 5th. CWL members served lunch and coffee afterward in St. Anthony's auditorium.

CWL will pledge \$50 to the Centennial Program. The money will be raised through bake sales and any profits over the pledged amount will also be donated.

The Membership Tea on April 24th at 2:00 p.m. in St. Anthony's school promises to interest all guests. The executive will present a skit portraying C.W.L. purpose and personal benefits. Six Girl Guides will serve the Strawberry Tea. Guest speaker will be Mrs. Ingram of All Saints Anglican Church. Two members from each other church women's group are invited to attend.

Winners of the hams on March 31st were: Mrs. F. Beland; Gloria Brown; Hilda Rand; Jennie Bray; John Desjardins, Mrs. Church, May Urchishyn, E. Lambert (3); Mrs. A. Briere, Rose Wickland, Lorraine Lauer, Kay Hrynuk (2), Margaret Bills; Mrs. Walkoski, S. Lemermeier, S. Hazzard; and Mrs. H. Mohn. Congratulations and thanks for attending.

President, Betty McGee; 1st Vice President, Patti Tomaszewski; 2nd Vice President, Molly St. Louis; 3rd Vice President, Eldora Kowal; Secretary, Kay Meraw; Treasurer, Marie Leniuk. The installation of these officers and the CWL Mass will be on April 26th at 7:30 p.m.

After adjournment the members sat in groups to discuss the Papal Decree on The Apostolate of the Laity. This decree involves every Christian in the spiritual and temporal welfare of other people. This is accomplished through our actions and attitudes which portray our foundation in Christ.

Congratulations to Mrs. Leona Reisterer and Mrs. Jeannette Aulnier who both gave birth to baby girls in March.

were ordained to help in this ever increasing ministry. On Sunday 1527 persons were present to hear Mr. Alex Didur talk on the subject "Does God Have Influence in this Twentieth Century?"

The Drayton Valley congregation will celebrate the Lord's evening meal in their Kingdom Hall at 8:00 p.m., Tuesday, April 5th. Mr. William Fors, of Edmonton will be in charge of this special meeting. All interested persons are invited to attend.

April is a special month to Jehovah's Witnesses world wide, and the Drayton Valley congregation is looking forward to it. Last year 1,933,089 gathered world wide to celebrate the Memorial of the Lord's death.

FACTS FOR THE FARMER

Egg prices are expected to continue strong throughout the first half of 1966. A definite forecast of prices in the second half is not possible at this time. Producers filled laying pens late last year and 1966 replacements may come into production before old layers are disposed of. This could result in unusually large supplies of eggs over a short period.

The Red Cross has received the Nobel Peace Prize four times.

HELP WANTED

HELP WANTED - Storeman - Bookkeeper for oilfield supplier, under 32, minimum grade 12 with typing, salary commensurate with experience. Excellent opportunity. Phone 542-3685, Drayton Valley. 6p

HELP WANTED - Bank Clerk required. Previous experience preferred. Apply Box 510 or in person at the Royal Bank, Drayton Valley. a6c
